**RULES OF PARTICIPATION**

**Please read very carefully!**

The Word of God says "Let all things be done decently and in order." (1 Corinthians 14:40) This is the reason our church believes it is right to lay down certain terms (rules) concerning participation in the conference, clearly to avoid any disorder.

1) The services and in general all the meetings of the conference will be compulsory for everyone without exception. No one is allowed to leave the conference room without the permission of his/her group leader and if that happens it will be for 5-10 minutes only.

2) Because we will be representing our church in a public place it is important to show clearly the holiness in our lives and not just in our words. For this reason, the appearance and conduct of those participating must be perfect. Smoking and alcohol of any kind are not allowed.

3) Participants are not allowed to leave the hotel's premises or attend any of the hotel's activities. Use of the swimming pool is not allowed.

4) The entrance to the conference room will only be for the registered participants and NO visitors will be allowed entrance except for Sunday's meeting at 9:00am

**Parents whose children will be attending the children's church (6-12 years old or primary age) are requested to take their children to the specific conference room themselves and to pick them up from the same place at the end of each meeting. No child is allowed to leave the children's room without the teacher's permission and without the escort of an adult. If a child does not show obedience towards his/her teacher then he/she will be removed from the room and entry into the children's church may not be allowed for the remainder of the conference.**

You will need: Your Bible, a notebook, a pen and lots of appetite for a better knowledge of the Word of God. (Also a bottle of water to avoid distractions caused by people going in and out of the room, especially if there are small children with you.)

Please give specific information if you are under medical supervision, suffering from a serious illness, or under medication.

**DISCLAIMER:** The A.C.O.J.C does not take any responsibility for anything that might happen to participants during the Conference.

**In the case of someone not abiding by the terms during the course of the Conference, the person in charge has the right to end that person's participation whenever he/she sees it right.**
